RED FORT

The Red Fort was built as the palace fort of Shahjahanabad-the new capital of the fifth Mughal Emperor of India, Shah Jahan. On 15 August 1947, the first Prime Minister of India, Jawaharlal Nehru raised the Indian flag above the Lahori Gate. Every year on India's Independence Day (15 August), the prime minister hoists the Indian bicolor flag at the main gate. The Red Fort was designated a UNESCO World Heritage Site in 2007. The fort was plundered of its artwork and jewels during Nadir Shah invasion of the Mughal Empire in 1739. Emperor Shah Jahan commissioned construction of the Red Fort on 12 May 1639.
