SUMMER HOLIDAYS HOMEWORK 2025-26

Dear Students, you matter a lot to us and we will miss you!
Be safe, kind and creative.

Have a great

Summer
Vacation!

Chasing Summer Dreams

The morning wakes with golden skies,
Soft breezes sing and rivers rise.
Barefoot paths and whispering streams,
We run to chase our summer dreams.

The meadows dance, the forests call,
Adventure hides behind each wall.
With every step, a story gleams—
The world alive with secret dreams.

The ocean laughs, the mountains glow,
The wild winds tell us where to go.
No maps, no plans, just open seas—
We chase the sun, we chase the breeze.

So dream out loud, and dream out wide,
With hope and wonder as your guide.
The brightest days are yet unseen—
Go chase your sweetest summer dreams
