## **Summer Holiday Homework 2026-27**

Dear Children,

Summer vacations are synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places and watching fun filled shows on television. But there is a lot more you can do to make your vacations more interesting meaningful and full of fun while still doing all your favourite things.

Here is a 'Summer vacation Activity Box' just for you. So get ready for your treasure hunt, with the help of your parents.

Few guidelines for your parents to make your

Long summer break fruitful

- 'Knowledge is power'. Therefore, encourage your child to cultivate the reading habit because it is not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings and also read to your child because it builds reading skills and increases his/her attention span.
- 'A Healthy mind lives in a healthy body'. encourage your child to go out and play because sports in still discipline, generate sporting spirits, channelize energies constructively.
- Encourage your child to play board games e.g. Chess, Ludo, Carrom and Scramble, etc.
- Sensitize your child about rich culture and heritage by watching different innovative channels like "The National geographic", 'Animal Planet' etc.
- Encourage your child to do the activities himself/herself and lot of specific time to do homework every day.

## **English Holidays Homework**
