NEO CONVENT SR. SEC. SCHOOL, PASCHIM VIHAR, NEW DELHI – 63
CIRCULAR NO. 013/2026-27

Introduction of Advanced Level in Mathematics and Science (Session 2026–27)

Dear Parents,

- In accordance with the latest guidelines issued by CBSE for the academic session 2026–27, the Board has introduced an **Advanced Level option** in **Mathematics** and **Science** for students of Class IX. This will be extended to Class X from the session 2027–28.
- It is also hereby informed that **Basic Mathematics** will be **discontinued** from the session 2026–27. All students will henceforth study Standard Mathematics.
  Standard Mathematics and Standard Science will be compulsory for all students.
- Students may choose to take the Advanced Level examination in Mathematics, Science, or both subjects. The Advanced Level is intended for students who demonstrate a high level of proficiency and inclination towards deeper conceptual learning. However, it is completely optional, and students who do not choose it will continue studying the regular curriculum.
- The Advanced Level will include content beyond the prescribed standard syllabus.
  The question paper will focus on Higher Order Thinking Skills (HOTS), assessing analytical ability , Conceptual clarity and Application-based understanding .
  The Advanced examination will be conducted in addition to the standard examination.
- The syllabus for Advanced level is awaited from the CBSE and will be shared once released.

DATE: 20.05.2026 **PRINCIPAL**
